You are welcome, Diana. I initially didn't suggest Terri to contact you since this case is now closed. Sorry about the confusion I may have caused. I hope there are no more FOIAs, but if there are in the future, I will consider you as the contact. Thanks for working with Terri --- Mirtha

Hello Terri,  
Rett forwarded to me your previous messages regarding this FOIA request. Yes, GDC is now assigned to me. Please either have the files brought to my office (1342) or to the ORC 14th floor receptionist. In either case, a phone call to me beforehand is best. My number is 6-7889. Thanks. P.S. This message supplements a previous phone message left on your voice mail.
